Re: United States of America v. Omar Etayem Rivera No. EP-10-CR-1165(1)-KC

Dear Mr. Rivera:

This Court is in receipt of your correspondence regarding the recent proposed amendment to the U.S. Sentencing Guidelines that allows for reduced terms of imprisonment for certain drug offenders which is scheduled to go into effect on November 1, 2015. The Court is currently developing a procedure to effectively review and process requests for reductions in sentences in all eligible cases before this Court. However, due to the sheer number of affected cases and the time-line of the proposed amendment, this information is currently not available.

This letter is to advise you that should you be eligible to benefit from a reduced sentence by virtue of the amendment, you will be advised.

Sincerely,

A handwritten signature in dark ink, appearing to read "Kathleen Cardone", is written over the typed name and title.
